All the staff running our clubs are DBS checked with Child Protection and Emergency First Aid certification. If your child has any special medical needs, please speak to the school office, before booking a place.

As availability for clubs is limited, we ask that in the first instance, you only book your child onto one club, so that spaces are available to as many children as possible. Following the success of our previous clubs, we have increased capacity for the clubs and hope this ensures all those who wish to participate are able to.

If your child wishes to participate please use our online system, **ParentPay**, to secure your place by making full payment as soon as possible. (Please note that this is non-refundable if your child does not attend, due to the costs of the service).

If you require assistance using the new ParentPay system please view the Parent Guide which is available on our website; if after this you require further assistance please call into the school office where we will be happy to assist you.

Yours sincerely
