

Church Hill Infant School

@CHISThurmaston

As you may be aware our school has started using a twitter account to share our news and events with you. We feel this offers a great opportunity for children to re-inforce learning by sharing what they have been doing in class or the great homework that the children complete. Twitter also offers a quick way for us to share rewards such as the attendance cup, star readers or hall of fame awards.

Twitter is used by many schools in this way and is a fantastic opportunity to encourage engagement within the whole school community.

As part of this journey we will be sharing pictures of children, and when we do, we will refer to the parental permissions form which was signed when your child joined our school. Please be advised that all posts will be in accordance with the schools "Images of Children - Conditions of Use" statement which can be found in your Parent Handbook.

We thank you for your continued support and look forward to sharing lots more learning and events.
