Dear Parents and Carers,

Interacting with ICT!

Tuesday 9th May 2017

2:30pm in the Hall

We would like to invite you to an inspiring, informative and interactive workshop to explore the possibilities of using ICT at home, and what you can do to support your child's learning using technology.

Parents are invited to join us in the hall for a short, informative workshop where you will be shown what games, apps and websites are useful in supporting children's learning in a fun way. We will also explore ways to keep your child safe online. You can then go and collect your child and bring them back to the hall for a chance to have a go at using the school's iPads and netbooks to explore these games, apps and websites. Refreshments will be provided.

If you are interested in attending please complete the reply slip below and return it to your child's class teacher. Places will be allocated on a first come, first served basis.

We really look forward to seeing you there!
