Year 2 Homework

Dear Parents/Carers,

This term the focus of the Year 2 homework will be Spelling. In recent years the expectations of the children have been raised and they must now be able to accurately spell a range of common words to be judged as working at the 'expected level' at the end of Year 2.

We will be conducting weekly Spelling tests on a Thursday and new word lists will be given out each Friday. Please use the tips inside the front cover of your child's book when you are helping them to practice. It is important that Spellings are always written in some way (as opposed to practising verbally) because the children need to get used to the patterns and how the words should look when spelt accurately.

Each week we will send out a Spelling game or activity to be used with the current word list and it is vital that the children get used to writing the words within the context of a sentence. In addition to this it is expected that the children read at home as often as possible but at a minimum of three times a week. Fluency and understanding are key skills that are required so please discuss the books with your children and encourage them to re-read so that their focus can be on flow and expression.

Thank you for your continued support.
