Headteacher: **Mrs M Bulsara**

13th November 2017

Dear Parents/Carers

On Thursday November 23rd from 5pm to 6pm, we will be running a Mathematics curriculum evening for parents with children in EYFS. We want to share with parents and carers how we teach maths within Early Years and the key changes to how children are approaching mathematics in the classroom.

During the sessions parents and carers will have the opportunity to see what is expected of children by the end of EYFS, as well as finding out a little bit about what they will be learning when they move into KS1. Parents will also get a chance to explore teaching methods and strategies that we use at school.

So that all parents can get the best from the evening, children will not be allowed to come to this meeting. However, we have arranged for a **bedtime pyjama crèche** for children to attend whilst the meeting is taking place. Whilst the maths session is running, children will listen to some bedtime stories and enjoy a cup of hot chocolate or milk and of course be dressed in their pyjamas! Doors for the crèche will open at 4.55pm to enable a prompt start. **(Please note that the pyjama crèche will be for children in EYFS classes only and the school will not be able to accommodate any younger or older siblings).**

Yours sincerely

O Mayhew

Maths Lead Teacher

Child's name: Class:

Please tick as appropriate.

I will will not be able to attend the EYFS Maths Curriculum Evening on Thursday 23rd November at 5pm.

My child will attend the Pyjama crèche
and would like a cup of milk or hot chocolate (please tick one choice)
