Shortbread Biscuit

It is our school census on Thursday 17th May 2018, so there is a change to the school dinner menu next week. We would be **most grateful if as many children as possible would have a Special School Dinner** on that day as **we will receive funding for the provision of Universal Infant Free School meals** according to the number of children who take a hot meal.

Thank you for your co-operation.

*Special Diets will be catered for.
