Dear Parents and Carers,

Re: Swimming Summer Term

At Church Hill Infants we value all forms of physical exercise to promote a healthy lifestyle. As you will be aware, swimming has been part of the School's curriculum for many years; emphasising the importance of keeping fit in a fun and enjoyable way. Many of our children have had their first experience of being in a swimming pool during these sessions and although our main focus is to promote confidence in water; we also have been able to provide a qualified instructor and lifeguard to teach progressive swimming skills to all of our children.

Swimming sessions for Foundation Stage will start on Tuesday 14 April and the charge will be 60p per session (this is to cover the cost of hiring the pool). To keep the rate to an absolute minimum, the school will continue to cover the cost of the swimming instructor.

The cost for swimming this term will be £7.20 and we would like to request that all payments are made securely via our online system **ParentPay** by **Friday 17 April 2015**.

If you require assistance using the ParentPay system please view the Parent Guide which is available on our website; if after this you require further assistance please call into the school office where we will be happy to assist you.

If you are experiencing any difficulties with making this payment, please feel free to speak to me. Unfortunately, if enough contributions are not made the governors will need to review the future provision of swimming at the school

Thank you for your generous support and helping us to provide the opportunity to swim for all of our children.

Yours sincerely,

M Bulsara
Headteacher
