30th June 2015

Dear Parents and carers,

SUMMER EXTENSION AND REFURBISHMENT PROJECT

We are excited to inform you that our school has received government funding to replace all the windows on the foundation stage side of the school. As part of this refurbishment our governors have approved an extension project to the front of the foundation stage & P/B classrooms, this will increase our in-door learning space and elevate some of the morning congestion around the cloak rooms.

Due to the nature of this project our contractors will need to commence work on site before we break up for the summer holiday; this means that that for the last week of term (w/c Monday 6th July), the area in front of FS & P/B classrooms will be cordoned off; there will be no access to the front entrance of the classrooms.

Therefore for the last week of term, we are asking FS parents and carers to walk around the back of the school to access your child's classroom for drop-off; signs will be in place to guide you. Please collect FS children from the rear playground at the end of the day. Children in P/B's classroom can be dropped off / collected from the main reception doors.

We apologise for any inconvenience this may cause, and assure you that the Health and Safety of everyone on school site will remain of paramount importance.

Yours Sincerely,

M. Bulsara

Headteacher.
