Thursday 3<sup>rd</sup> September 2015

Dear Parents and Carers,

## Year 2 - Swimming Programme

I am writing to notify you that this term all year 2 children will be taking part in swimming lessons as part of our sports curriculum. The programme will commence on **Monday 7<sup>th</sup> September**, and will run for 13 weeks (school is closed on 26<sup>th</sup> October). We believe this is a fantastic opportunity for all children to gain water confidence and develop their swimming skills. As with previous years, swimming is taught by a qualified swimming instructor in the Junior Schools pool.

It is a great help when parents are able to come along to assist. If you have a current DBS check and are able to help regularly on a Monday morning please contact your child's teacher.

The Governors have agreed to continue to partially fund the cost of swimming for this year, and we are therefore inviting you to make a contribution of **£9.10 for the full 13 sessions**, to meet some of the cost of the swimming programme. (This is just **70p per session**). We ask that full payment is made **by Friday 18<sup>th</sup> September** via our online system, ParentPay. If you are experiencing any financial difficulties with making these payments, please speak to Mrs Wren in confidence.

Please be aware that governors will be regularly reviewing the cost of swimming during this school year and if enough contributions are not received then we may be forced to remove the future provision of swimming at our school.

May I take this opportunity to thank you for your continued support and helping us to provide the opportunity to swim to all of our children.

Yours sincerely,

**M Balsara**  
Headteacher
