Dear Parents/Carers,

Social Distancing Reminder

It has come to our attention that some parents are gathering just outside the school gates. The Government guidance is clear – schools should make plans that allow for groups to be kept apart and that social distancing should be followed at all times.

The school will not allow groups/families to gather outside and we ask that all parents support this.

Could we also ask that parents do not arrive too early for their drop off time. The times have been staggered to allow for a year group to be dropped off and the area cleared of leaving parents before the next group arrives. Please allow sufficient time for this to happen before proceeding to the marked drop off points.

We appreciate your support while we endeavour to keep pupils, parents and staff safe.

Yours faithfully,

Mrs Bulsara
