Portrait photographs

A photographer will be coming to school on Thursday 29th October, and every child present on that day will be photographed individually. Children with brothers/sisters who attend this school will also be photographed together. (It will not be possible for older children attending other schools to be photographed).

A proof pack offering a number of differently priced photo selections from which you can choose, will be sent home with your child a few days later, but you will be under no obligation to buy.

Pre-school children

Pre-school children/toddlers/babies are very welcome to come and have their photograph taken with their older brothers and sisters (who attend this school), and to avoid unnecessary waiting, these photos will be taken first. The photographer will begin as soon as the doors open at 8.40 am.

If you will be bringing pre-school children to be photographed, please complete the slip below and return it to school by Tuesday 27th October.

Class photographs

Class photographs will again be taken in May. We'll let you know about this nearer the time.
