

School Council minutes.

Monday 12th May 2014

Present – Mrs Lissaman, Keira and Vir (L/E), Beth and Jack (WK), Oliver (JT), Sam and Maisie (JM), Reece (RB), Anoushka (NS)

- As we have had a busy week, we have extended the deadline for our class posters. Please can all teachers give their winning entries to Mrs Lissaman as soon as they can, but definitely before half term.
- Mr Mayhew was our special guest today and he was speaking to us about e – safety.
- E – safety means electronic safety and includes us being safe when we use the internet. We need to learn how to use the internet safely to see more, learn more and have fun.
- We watched a power point to remind us of the rules –
 - 1) Zip it – keep your personal information private. Use a nickname, use an avatar instead of a real picture. Don't give away passwords.
 - 2) Block it – block any nasty messages or unknown links especially from people we don't know.
 - 3) Flag it – tell someone you trust if something upsets you or asks to meet you. Remember people may not be who they say they are. Online friends are still strangers.
- We discussed having passwords for Y2 children and how to get the e safety message to all children and parents. Mr Mayhew also asked for our opinions on an e-safety animated series named 'Hector's World.'
- Our next meeting will be on Monday 2nd June at 12.45pm.
