Year 2 Family Learning Session

Dear Parents/Carers,

On the afternoon of **Wednesday 10th February** we will be holding a Family Learning Session, from 1.15pm.

We would like to invite parents and grandparents into school to spend time alongside their children and support their learning in a structured fashion.

Our session is going to have a PHSE focus, allowing the children to practice their social skills and encouraging working together in small groups. We will be learning about following instructions, sticking to rules and taking turns through playing games and solving puzzles.

There will be a range of games and puzzles available to use from school, but we would also like to ask adults to bring in any favourite board or card games from home to share with the children. Please bring games which can be played by a small group at a table. If you have any questions about what to bring, please ask any of the Year 2 team.

If you are able to come in to school and help in this way we would be extremely grateful. The children will benefit from your support and you will enjoy it too!

Please complete the reply slip below and return it to your child's teacher as soon as possible.

Thank you

R Lissaman O Mayhew C Elliott A Harris
