Apologies – Alfie (PB) and Kai (AH)

- Talked about School Council meetings being at a different time from now on. Meetings will be every other Wednesday, during assembly time, to ensure that everyone is able to attend without rushing their dinners!
- Discussed some of the things that the children from our classes have suggested to improve our school e.g.
 1. Make the school more colourful by painting the walls different colours.
 2. Somewhere special to store water bottles.
 3. New tables (Like in FS) for KS1 classes.
 4. Water fountains in the toilets.
 5. Welly clips for the huts.
 6. Wellies in the main school building to be stored on bottom 2 shelves of lunch box trollies.
- Discussed Playground Pals. Children from Y1 and Y2 explained to FS reps how the system worked and we thought about the necessary qualities for a Playground Pal. The children from Year 2 who are keen to be Playground Pals should write a sentence or two stating why they think they would be good at the job. They should give their sentences to Mrs Lissaman or Miss Harris before the next meeting when the School Council will consider all applications!
- Next meeting will be on Wednesday 10th December during assembly time.
