

School Council information.

Week beginning Monday 11th November 2013.

This was an exciting week for our School Council and all the representatives were involved in important jobs for the school.

On Monday the School Council reps from Year 2 went into Thurmaston village with Mrs Lissaman and Mrs Dalton to take part in the Remembrance Day service. We observed the 2 minute silence at the memorial and then were invited to St Michaels church for a 'Question and Answer' session with some war veterans. It was a real honour to meet these brave people and we got an interesting insight into what it is actually like to be a soldier at war.

The children behaved brilliantly and were a real credit to our school.

On Tuesday the Year 1 School Council reps were the first children in school to become 'Healthy Spotters' at lunchtime. Wearing fantastic Church Hill caps, decorated with fruit, we went into the hall at lunch time and gave stickers to all those children who had two or more of their '5 a day' in their lunches. It was great to see so many healthy eaters and we will be dropping in again soon. We will now target a class at a time to make the task more manageable.

Well done Healthy Eaters and a big 'Thank you' to Mrs Stickley for making our brilliant caps.
