

School council meeting. Mon 12<sup>th</sup> March 2012.

Minutes.

Present

Mrs Lissaman.

Reps from 2L/E ,2DC, 2MB, 1 PB, 1BS,1WK ,FS JT, FS JM.

Meeting focussed on feedback from each set of reps from the class surveys sent out at last meeting. Ideas from each class were discussed and then the best ideas decided by the whole School Council.

Ideas to make playtimes happier and to solve problems for those children who may be feeling left out:

- Friendship bench – bench closest to steps to be decorated. Whenever someone is feeling lonely, they can sit there and others will know they want someone to play with.
- Friendship crew – 4 children each day to wear special coloured bibs at playtime. They can be approached by anyone who does not have someone to play with. Each class to have a week 'on duty'.
- More organised games for children to join in with e.g. 'Farmers in his den' run by Lunchtime assistants.

RL will take these ideas to staff meeting on Wednesday and report back to School Council when decisions have been made.
