Dear Parents and carers,

During recent monitoring of Church Hill Road, we have noticed several incidents of cars parking on the zig zag lines to drop off children. With reference to the Highway Code and following liaison with the police we would like remind all road users that this is a traffic violation.

Please see the extracts below taken from the Highway Code:

***"The most vulnerable road users are pedestrians, particularly children, older or disabled people... It is important that all road users are aware of the Code and are considerate towards each other."***  
(<https://www.gov.uk/guidance/the-highway-code/introduction>)

If you are a disabled badge holder, and need to exit your car in order to drop off or pick up a child, please ensure your badge is on display at all times and that you park safely before the road and pavements gets too busy.

The police have been informed of violations and will be monitoring both breaches of parking regulations and the misuse of disabled badges.

Thank you again to all parents and carers who continue to support the school and help to keep our children safe by parking sensibly and following the highway law.

Yours Sincerely

Mrs Bulsara

And The Governors of Church Hill Infant School
