## Accidents do happen

Schools endeavour to offer a safe environment for your children, however, occasionally accidents do happen and serious injuries are sustained, either at school or away from school.

Injuries resulting in severe disablement, for example the loss of sight or a limb, can lead to lifelong problems and the financial consequences can be tremendous.

## Responsibilities

It is sometimes assumed by parents that if an accident occurs at school the school can be held responsible and that financial compensation will therefore automatically follow. It cannot be emphasised too strongly that the liability of the school is strictly limited to cases where there is proven evidence of negligence.

In many cases, the circumstances of an accident at a school/academy will reveal no evidence of negligence on the part of the establishment. Accidents away from a school, of course, have no connection with the school and although there maybe recourse to a third party, say in the case of a road traffic accident, compensation would again depend upon proving liability.

The advantage of a personal accident policy is that whilst in no way preventing further action to seek damages in the cases where negligence is alleged, payments under the policy are made on the basis of the injuries sustained and are not conditional upon proving liability.

## The cover

This is a Personal Accident policy which covers a sudden & unforeseen identifiable event which causes Bodily Injury. The Policy will also cover:

- **Disappearance** Insured Person disappears & it is reasonable to believe they have died due to Bodily Injury
- **Exposure** Death/injury to an Insured Person as a direct result of unavoidable Exposure

The cover is operative 24 hours a day anywhere in the world whilst an Insured Person is a pupil of the school. This optional scheme is available through Leicestershire County Council (LCC) via Chubb Insurance

The scheme will run for 12 months from 1st September each year. Parents wishing to take out cover should complete the application form attached to this leaflet and return it to LCC together with a cheque made payable to LCC for the premium **no later than the 1st September.**
