## School Meals

Dear Parents and Carers,

We are pleased to inform you that we will have a new school meal's provider working with us after the half term break and a copy of our new menu is attached.

Our new provider has close links with our school and Roots farm in Barkby; ensuring ingredients used in our meals are fresh, seasonal and local. We believe this change of supplier will improve the quality of the meals we currently provide all of our children under the Universal Infant Free School Meal scheme.

Unfortunately, we will not be able to continue providing a three choice menu; however we will still offer children a choice between the meat (red band) and vegetarian (green band) options each day. Children will also be able to choose their dessert, which will include a yoghurt or fresh fruit option every day.

Children who currently have special menus due to allergies or intolerances will still be provided with a special menu, which is checked by a dietician. These special menu's will be sent home separately.

May I take this opportunity to remind you that we are a **NO NUTS** school, and if you send your child with a packed lunch, please do not send nuts or products containing nuts.

Yours Sincerely

A handwritten signature in black ink that reads 'M Bulsara'.

Mrs Bulsara  
**Headteacher**
