## Maths Curriculum Evening

Dear Parents and Carers

We would like to invite you to a Mathematics Curriculum Evening on Thursday November 17<sup>th</sup>, from 5-6pm. The aim of the session is to share with parents and carers how we teach maths across Early Years and Key Stage One and highlight the key changes to how children are approaching mathematics in the classroom.

During the sessions parents and carers will have the opportunity to see what is expected of children by the end of KS1 as well as exploring the teaching methods and strategies that we use at school. We hope that you will pick up ideas to use at home with your child as well. As the session is mainly an informative meeting we would advise parents/carers that children do not attend.

We value your continued support and are keen to strengthen our partnership with you to ensure your child reaches their full potential.

Yours sincerely

Mr Mayhew  
Maths Co-ordinator
