Dear Parents/Carers,

Re: Revised Holiday Dates

Last term we issued a set of holiday dates for the next three academic years. You may be aware that these dates differed from the Leicestershire County Council dates. We made the decision to divert from the Leicestershire pattern for educational reasons as we felt the more even spacing of the weeks between holidays was better for our children. At the time we were led to believe that the majority of our local schools would be departing from the LA pattern and adopting a similar one to ourselves. It now appears that we were misled and the majority have, in fact, stayed with dates similar to the Local Authority.

This is obviously a concern as it puts parents in a very difficult position if they have children at schools with different holiday patterns. In responding to parental concerns, local headteachers have met to have another look at the issue. As a result we have decided to reverse our original decision and revert back to the holiday pattern that is similar to the Local Authority. (Please note that there will be small differences caused by schools placing training days at different times.)

Please see the revised holiday dates for 2017/18 and 2018/19 on the reverse of this letter. If anyone has booked holidays relating to the previously issued dates please contact us to discuss this in the first instance.

We are sorry to have created concern around this issue however; I hope you will understand that our original decision was made with the best of intentions.
