Dear Parents & Carers,

Road Safety

We are writing to advise you that we are continuing to liaise with local police and the Leicestershire Highways Agency to devise a long term solution to the ongoing traffic and parking problems outside our schools and along Church Hill Road.

Both schools remain very concerned about the few drivers who continually drive and park inconsiderately or dangerously on the yellow zig zags and pavements, and are putting our children at risk.

We are collating evidence to present to the council and also considering a petition to be presented alongside our evidence. To aid us we ask that if you witness an incident involving dangerous driving or parking please could you complete the attached report form and return it to the school office. Alternatively details can be e-mailed to us at admin@churchhill-inf.leics.sch.uk

Please be reminded that any serious incidents should be reported directly to the police on 101.

May we take this opportunity to thank all parents and carers who continue to park safely around the schools.

Yours sincerely

Mrs Balsara
